INFRASTRUCTURE & MANUFACTURING EXCELLENCE

ABOUT US

We have been serving the industry since 1985. Meena Hercules Pvt. Ltd. was established by the late Mr. Syed Anwar Ali. Today, we are one of the leading manufacturers of uPVC conduit pipes and accessories, serving over 1,000 distributors and dealers across Uttar Pradesh.

All our products are made from superior-quality raw materials, follow a stringent manufacturing process, and undergo rigorous quality tests before dispatch. Our company is ISO 9001:2015 certified for its quality management systems.

We are highly professional in providing complete solutions regarding our products and deeply understand business needs. Therefore, we cover a complete range and variety of products related to in-house wiring solutions. We are currently operating three manufacturing units in Lucknow, Uttar Pradesh, with a manufacturing capacity of 10 tons per day.

MANUFACTURING EXCELLENCE SINCE 1985

MANUFACTURING EXCELLENCE

State-of-the-art manufacturing facilities with advanced technology and skilled professionals ensuring consistent quality.

QUALITY ASSURANCE

Rigorous quality control at every stage of manufacturing to deliver safe, reliable and long-lasting electrical solutions.

CUSTOMER TRUST

Built on trust, transparency and long-term relationships with a commitment to customer satisfaction and support.

PRODUCT INTRODUCTION

Premium Product Range: Hercules by Meena (1985) Hercules is the premium product range of Meena (1985) and stands as one of the fastest-growing brands across Uttar Pradesh. Known for its competitive pricing, exceptional strength, and long-lasting durability, the brand truly embodies its powerful name.

The Hercules team ensures this strength is matched with the latest product designs and excellent market presentation. By focusing on three main goals—quality, durability, and customer satisfaction—the brand guarantees a happy selling and buying experience.

To achieve this, every single product is manufactured using the finest premium-quality raw materials and subjected to extreme testing before being packed for delivery.

TRUST THE STRONGEST
— **HERCULES**

PVC CONDUIT PIPES

We offer high quality **White PVC CONDUIT PIPES** to cater to the demands of our prestigious clients. These products are precisely designed for durability and long life.

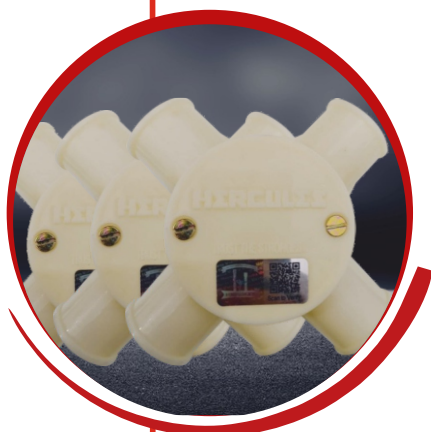

Name of Product	HSN Code	Size
Light	3917	20 mm,25 mm
Medium	3917	20 mm,25 mm
Heavy	3917	20 mm,25 mm,32 mm

PVC BEND

With sincerity and hard work of our adept experts, we have carved a niche for ourselves in this domain by offering PVC PIPE BEND. The offered pipe bends are widely used in industries, commercial buildings, and homes, buildings and homes for housing electric wires and cables.

Name of Product	HSN Code	Size
Light	3917	20 mm,25 mm
